

*Asalam-Ailaikum my dear brothers and sisters.*

Today I will give a presentation on my country and its landscape.

Dear brothers we live in india , which is a huge country located in asia. India is the seventh largest and second populated country in the world. It stretches about 3241kms from north to south and 2993 kms from east to west. India is surrounded by water on three sides, Bay of Bengal on east, Arabian sea on west , Indian ocean on south.

India shares its borders with Pakistan, China, Nepal, Bhutan, Myanmar, Bangladesh, Srilanka and Maldives.

India has a population of over 1.35 billion people. It is divided into 28 states and 8 union territories. Delhi is the capital of india.

### Physical divisions

India is divided into six physical divisions. These are ;

- The northern mountains.
- The greater indian desert.
- The coastal plains
- The northern peninsular plateau
- The islands.
- Northern plains.
